COUNTY FISCAL LETTER (CFL) NO. 97/98-39

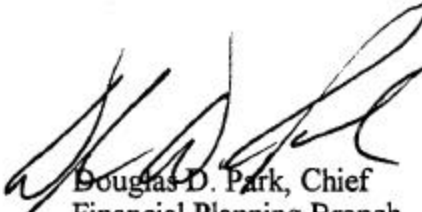

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY FISCAL OFFICERS

SUBJECT: COUNTY WELFARE DEPARTMENT (CWD) SALARY AND BENEFIT
STATEMENT, FISCAL YEAR (FY) 1997/98

The California Department of Social Services is transmitting the FY 1997/98 CWD Salary and Benefit Statement (DFA 442). This questionnaire should be completed and returned to the County Cost Analysis Bureau by February 1, 1998.

The information for FY 1997/98 is needed at this time for the FY 1998/99 Proposed County Administrative Budget (PCAB) process. The attached form requires information for the current and prior fiscal years. For FY 1996/97, we are asking for the actual rate of benefits paid in a variety of categories. For FY 1997/98, we are requesting the Cost of Living increases (COLA) granted by the board of supervisors and the computation of the estimated benefit rate. It is imperative that this form be returned with the signatures of both the County Welfare Director and the County Auditor. If the COLA information is not available when this form is due, please provide what is available at the time and submit a revised form as soon as the information becomes available.

To facilitate completion of the form, we have attached an instruction sheet which addresses issues such as weighted averages and annualizing. If you have any questions, please contact Julio Rodriguez of the County Cost Analysis Bureau at (916) 657-3806.

Douglas D. Park, Chief
Financial Planning Branch

INSTRUCTIONS FOR COMPLETION OF THE CWD SALARY AND BENEFIT STATEMENT (DFA 442) - FISCAL YEAR (FY) 1997/98

Supply data in Sections I and II in decimal fraction amounts carried out to the hundredth (Example: 6.67%). If an item is not applicable, enter "N/A". Please provide detailed back-up information on the data submitted to facilitate verification, if needed.

NOTE: In Section I, if the effective dates of any benefit increases do not start on July 1, please annualize where necessary so these increases would be on a state fiscal cycle. This will not be necessary in Section II. Therefore, in Section II, please reflect the actual salary increases regardless of the effective dates.

Section I: FY 1996/97 and FY 1997/98 Average Benefits Paid by the County

Column 1 equals FY 1996/97 Total Paid Contributions divided by FY 1996/97 Salaries.

Column 2 equals Projected FY 1997/98 Total Paid Contributions divided by Projected FY 1997/98 Salaries.

Column 3 equals Net Benefit Rate Difference (Column 2 minus Column 1).

The Total Rate, line g, must equal the sum of lines a through f in each column.

Column 4 is the effective date of FY 1996/97 benefits.

Column 5 is the effective date of FY 1997/98 benefits.

Section II: FY 1997/98 COLA Increase Granted by the County Board of Supervisors

Column 1 is the salary increase amount granted by the county board of supervisors. (Note: If a given salary pool (e.g., clerical) had different COLAs granted within that pool, use a weighted average for the pool.)

Column 2 is the effective date of FY 1997/98 salary increases.

Section III: Retirement Credits (PERS)

Reflect percentages only if the county received a retirement credit and the credit was utilized to reduce the amount claimed in your salary and benefit pools on the Administrative Expense Claim for the respective fiscal year.

Section IV:

Provide an explanation of any changes that would affect any cost category individually or in total, such as a change in the number of workweek hours.

CWD SALARY AND BENEFIT STATEMENT - FISCAL YEAR 1997/98
